All coils are subject to inspection by Lake Country Power representative

Rebates are available only for the cleaning of commercial grade cooling equipment. The products must be installed and operational where electricity is supplied by Lake Country Power. Rebate submittal must follow the guidelines as listed above. Lake Country Power is not responsible for damage done to any equipment being cleaned. Coil cleaning rebates are only available to be claimed once a year per commercial account. Equipment coil cleaning are subject to inspection by a Lake Country Power representative to verify work has been done. Call Lake Country Power at 800-421-9959 to verify rebate program status. Rebate program is subject to change or cancellation without notice. Please allow up to 6 weeks for processing.

Rebate will be applied as credit to electric account or by check.
