

**Dan Kingsley**

I am a retired member of IUOE Local 49 and past longtime employee of Hawkinson Construction. I currently reside in Blackberry Township with my wife Barbara and many times several of our grandchildren. We relocated from Hill City a couple years ago, built a new house, and love this area.

I have been the District 6 Director for 9 years. This time has been a learning and full filling adventure. Getting to know the Lake Country Power coverage area and the immense amount of work that goes into keeping the lights on has been quite an experience. The dedicated employees at LCP are a real help to both the new and current experienced directors.

I have always enjoyed working for and representing the public in the many positions I previously held including Hill City Mayor, Council member, ISD #2 School Board member and Chairman. More recently I have been the LAKE Country Power Holdings Company President for the last six years.

I look forward to the honor of serving as your District 6 representative for three more years.
