

Power Supply Tour

It's been a few years since Lake Country Power offered the Coal Creek Tour in North Dakota, so we are pleased to announce a new bus tour that is scheduled for August 27 – 29, 2024. We are calling this the “**Power Supply Tour**,” and the “home plate” destination is Great River Energy in Maple Grove, Minn., but we're also planning a fun group outing at Target Field to watch the Minnesota Twins take on the Atlanta Braves – the game is Tuesday evening and the first pitch is set for 6:40 p.m. Did you know? Baseball is a game about “coming home.”

Co-op members and tour hosts will travel on a comfortable charter bus and stay two nights at the lovely Staybridge Suites in Maple Grove, which has a beautiful courtyard for summertime enjoyment. Amenities for guests include a pool, fitness center, outdoor basketball court, Wi-Fi, and happy hour appetizers/drinks from 5:30 p.m. - 7:00 p.m., Tuesday and Wednesday nights. Complimentary breakfast is served 6:30 a.m. - 9:30 a.m. with hot, fresh, healthy options on the buffet.

Tour Day Activities - Wednesday, August 28, 2024

- 8:00 a.m., an informative presentation and overview of Great River Energy at the headquarters building in Maple Grove.
- Small group tours of wind energy, solar energy, electric vehicles (EV) and EV charging.
- See the ACES Northern Trading Center, located at Great River Energy, where you'll learn how electricity is produced, moved, and sold 24 hours-a-day in a live market.
- Executive presentation about Great River Energy operations and business updates.
- Ride on the bus to Elk River where you'll see the Elk River Peaking Station. We may stop to see one of GRE's substations as well.
- Approximately 4:00 p.m., enjoy an early evening on your own for great shopping, dining, and relaxing courtyard conversation. Remember to take advantage of the free happy hour refreshments served by our hotel.

“Great River Energy's power supply tour program is offered to educate and engage co-op members by giving them an up-close look at the resources that power their communities,” said Tami Zaun, public relations coordinator, and tour host. The tour is offered for people ages 12 and older.

Registration deadline: July 24, 2024

Contact: Tami Zaun at 218-326-7152, 800-421-9959, ext. 7152, or tzaun@lcp.coop
