

The following member has completed the necessary qualification questionnaire and submitted a timely petition signed by 15 Lake Country Power members to be considered a candidate for director of Lake Country Power.

Michael D. Forsman

I'm Mike Forsman your current Lake Country Power District 2 Director. Ernestine and I are proud LCP cooperative members at our lake home near Ely.

I was a Steelworker for 34 years, retiring from ArcelorMittal in 2011. Those years included military leave from Reserve Mining while I served in the Marine Corps from '67 to '71 (Honorably discharged SGT). While at Minorca, I served as 4th District St. Louis County commissioner retiring from the County Board after 20 years in 2014. Prior to working at ArcelorMittal, I worked for our local Chrysler/GM dealership as ASE certified technician. During this time, I served on the Ely City Council and then Mayor.

Since my election to the LCP board 6 years ago, I maintain an excellent attendance record. I have completed the "credentialed director" classes and now have taken advanced Cooperative and Electrical Power classes. Hopefully this training, if elected, will help me to serve you better.

It has been an honor to serve you for these 6 years, and I ask you, again, for your support.
