

District 6 Director Candidates

The following members have completed the necessary qualification questionnaire and submitted a timely petition signed by 15 Lake Country Power members to be considered a candidate for director of Lake Country Power.

Dan Kingsley

I am 66 years old, married to Barbara. We are residents of Hill City, have lived in the area since 1978 and I am currently your Lake Country Power District 6 director.

I am retired after spending more than 40 years as a member of IUOE Local 49, all of which were spent working in this area, 30 years as an employee of Hawkinson Construction.

I very much enjoy working with the public as represented with my experience as past Hill City Mayor and Council member for 5 years, Hill City School Board 15 years, Fireman 37 years, Executive Board and Board of Trustees Local 49, and Haypoint Snowmobile Club member.

My time spent as your District 6 director has been enjoyable and rewarding, yet challenging these last couple years with constant changes locally and globally affecting supply lines and availability of needed parts and power to keep your lights on.

If re-elected as District 6 director, I will continue to do my best to represent you, the member, as your representative in my elected position with Lake Country Power.

Donald Simons

My name is Donald Simons. I live in the Splithand Township, where I have a small beef cattle operation. I have a lot of board experience. I have served on the Lake Country Power board, Itasca County Fair Board, Itasca County Soil and Water Board and Farm Services Agency. I served in the National Guard from 1963-1975. I was with the Itasca County Sheriff's Department for eleven years. I am a life member of the Disabled American Veterans, the Loyal Order of Moose, Fraternal Order of Eagles and the American Legion. I have time to serve the constituents of District 6 very well. Thank you.
