

LAKE COUNTRY POWER Residential ENERGY STAR®

2023 Ductless Air Source Heat Pump Rebate Application

Rebate Requirements - rebate will not be processed without the following:

- A completed rebate form with signature(s). Please submit within 90 days of purchase.
- Include a copy of your original sales receipt showing item purchased.
- Provide proof of ENERGY STAR® rated product purchased.

Check with the installer or manufacturer for proof of ENERGY STAR® rating. Visit energystar.gov to verify ENERGY STAR® certification. *Please note the AHRI certificate does not guarantee ENERGY STAR® rating.

Rebate Amounts:

- \$300 Ductless Air Source Heat Pump (w/primary delivered fuel heat - LP, Natural Gas, Fuel Oil)
- \$500 Ductless Air Source Heat Pump (w/primary electric heat)

****An additional \$300 rebate is available for metering the DASHP on Dual Fuel & Cycle AC load management program.**

Rebates are available only for the purchase of new ENERGY STAR® rated products purchased on or after January 1, 2023. The products must be installed where electricity is supplied by Lake Country Power. Rebate submittal must follow the guidelines as listed above. Lake Country Power is not responsible for inaccurate information supplied by appliance dealers. Rebate program is subject to change or cancellation without notice. Call Lake Country Power at 800-421-9959 to verify rebate program status. Please allow up to 4 weeks for processing. The rebate will be applied as credit to electric account.
