Charger Manufacturer: _____ Model #: _____

**** If self wiring an electrical inspection is required: www.dli.mn.gov ****

Rebates are available for the purchase of a NEW EV Car Charger on or after February 1, 2026. The EV Car Charger **must** be installed where electricity is supplied by Lake Country Power, and enrolled on Lake Country Power's EV Off-Peak Program. Rebate submittal must follow the guidelines listed above. Lake Country Power is not responsible for inaccurate information supplied by a dealer, contractor or installer. Rebate program is subject to change or cancellation without notice. Call Lake Country Power at 1- 800-421-9959 to verify rebate program status. Please allow 6 - 8 weeks for processing.

Rebate will be applied as a credit to electric account.
