

A Touchstone Energy® Cooperative 

ANNUAL COGENERATION NOTIFICATION TO MEMBERSHIP

Following the annual review and approval of the Cooperative's annual cogeneration filing, the Cooperative shall furnish notice in a monthly newsletter or similar source the Cooperative's obligation to interconnect with and purchase electricity from cogeneration systems.

In compliance with Cooperative adopted rules relating to cogeneration and small power production, the Cooperative is obligated to interconnect with and purchase electricity from cogenerators and small power producers whom satisfy the conditions as a qualifying facility (QF). The Cooperative is obligated to provide information free of charge to all interested members upon request regarding rates and Interconnection requirements. All interconnections require an application and approval to become a QF. Any dispute over interconnections, sales, and purchases are subject to resolution by the Cooperative. Interested members should contact Lake Country Power, 26039 Bear Ridge Dr., Cohasset, MN 55721 or call 800-421-9959.
